Media Center Access Form

The purpose of this Media Center Access Form is to provide parents/guardians the opportunity to select their child's level of access to media materials such as library books.

*** Please note that if the Media Center Access Form is not completed, your child will have access to media center materials, except those that have been formally challenged and reviewed for potentially objectionable material, regardless of the outcome. Please read below and make your selection.***

Parent Permission for Media Center Access

As the parent/guardian I take responsibility for the materials for my child checks out of the school media center. I understand that it is my parental responsibility to explain any restrictions I have placed on media check out to my child.

Please select one of the following media center access options for your child:

Option 1: My child has full access to check out books from the school media center, except for books that have been restricted or those that require parent/guardian consent.

Option 2: My child is not permitted to check out books from the school media center.

Option 3: My child is not permitted to check out books from the school media center that have been formally challenged and reviewed for potentially objectionable material, regardless of the outcome.
