AMERICA'S FUTURE®

LTG Michael Flynn knows the importance of training at the local level and highly recommends this training

Attend our 1-Day INTO ACTION class August 24 in Port Charlotte, FL

Act Now! Learn How to Take Back Our Republic!

“Excellent course and most critical for all liberty-minded Americans.”—Attendee

The purpose of the INTO ACTION program is to train communities to identify individuals and organizations hostile to liberty and creatively and lawfully flush them out, and re-establish a Constitutional Republic form of government at the Local, County and State level.

Learn and discover the primary adversaries America faces in the war and the Founding Principles for which we are fighting.

The doctrine, networks, and modus operandi of the Movements at the root of all of the anti-American issues, policies and activities will be covered so students can understand and identify the threats. Learn how hostile individuals & organizations have insinuated themselves into local, state & federal government & private entities, as well as how to research & identify these key individuals and organizations.

Successfully establish a ground team and engage at the local, county and state level.

Learn how to conduct information operations, communications & security training, as well as strategic considerations to delay, disrupt and dismantle these threats at the grass roots level. By the end of the course students will be organized with a clear operation plan to effectively accomplish specific missions in their communities to reduce the adversaries' ability to operate, while beginning the process of re-establishing a Constitutional Republic form of government in your communities.
